August 2008-Present Associate Professor of Logistics
Department of Marketing & Logistics
College of Business Administration

August 2002-July 2008 Assistant Professor of Logistics
Department of Marketing & Logistics
College of Business Administration

TEXAS A&M UNIVERSITY, Mays Business School - College Station, TX

Summer 2002 Visiting Assistant Professor

Fall 2001-Spring 2002 Instructor/Graduate Assistant Lecturer

Fall 2000-Summer 2001 Research Associate

"Integrated Transportation & Facility Network Design: Model & Application", Research funded by Master Halco, Inc., a national manufacturer and distributor of home building products.

"Value of Information in Supply Chain Integration: Distributor as the Logistics Data Manager", Research funded by Information Systems Consortium for Supply Chain Integration, Thomas A. Read Center, Texas A&M University.

Fall 1999-Summer 2000 Instructor/Graduate Assistant Lecturer

Summer 1999 Research Associate

"Improved Production Planning Procedures for Meal-Ready-to-Eat Program", Research funded by Combat Rations Network Initiative of the Defense Logistics Agency-Contract #: SP0103-96-D-0023

Fall 1997-Spring 1999 Graduate Teaching Assistant

ERNST & YOUNG INTERNATIONAL - Istanbul, Turkey

January 1996-March 1996 Internship (Auditor-Accounting)

ASLAR PRES DOKUM SAN. VE TIC. A.S. - Istanbul, Turkey

June 1995-January 1996 Internship (Internal Auditor-Quality Control)

RESEARCH ACTIVITIES

RESEARCH INTERESTS

Supply chain management, information technology management in supply chains, e-commerce, business logistics, operations management, inventory planning and control, supply chain coordination and contracting, and transportation & distribution network design.

RESEARCH AWARDS/ PROFESSIONAL RECOGNITION

- 2008-2009 Reagan Faculty Scholar, College of Business Administration, University of Tennessee.
- *Department of Marketing and Logistics Nominee* for the 2008 Professional Promise in Research and Creative Achievement Award of the University of Tennessee.
- *Department of Marketing and Logistics Nominee* for the 2007 Professional Promise in Research and Creative Achievement Award of the University of Tennessee.

- Track Chair, Supply Chain Management Track (largest track of the annual conference), Decision Sciences Institute Annual Meeting, 2008.
- Conference Chair, Supply Chain Management Educator's Conference of CSCMP, October, 2008.
- Editorial Review Board Member of *Decision Sciences Journal* (as of August 2007).
- Top 5 *Decision Sciences Journal* article with 438 downloads in *Blackwell Synergy* during 2005. "The Impact of E-Replenishment Strategy on Make-to-Order Supply Chain Performance" *Decision Sciences*, 2005, Vol. 36, No. 1, with P. Robinson and L-L. Gao.
- Top 1% Cited Article within its field by *Essential Science Indicators*, "Flow Coordination and Information Sharing in Supply Chains: Review, Implications and Directions for Future Research". *Decision Sciences*, 2002, Vol. 33, No. 4, with P. Robinson.
- "Profile: An Academician in the USA keeping abreast of the Current Events in the Business World: Funda Sahin", *Featured Interview* in *Dergi L-Lojistik ve Tedarik Zinciri Yonetimi Dergisi*, Ekim/Kasim 2005 (Journal L - Logistics and Supply Chain Management Journal of Turkey, October/November 2005)- Leading logistics/supply chain journal in Turkey.
- "Interview with Dr. Funda Sahin-Sahin Sheds Light on Supply Chain Collaboration", *Faculty Focus/Highlight*. Annual Report to the Alumni and Friends of the College of Business Administration at the University of Tennessee, Knoxville, TN, 2004-2005. Selected as a prominent example of young researchers at the University of Tennessee.
- Outstanding Young Researcher, 2005 INFORMS Young Researcher Roundtable, April 17-19, Palm Springs, CA.
- Achievement and Demonstration of Excellence in Logistics Award- Presented by the Association of Student CSCMP (formerly known as CLM) Members at the University of Tennessee, 2003.
- Elwood S. Buffa Doctoral Dissertation Award Finalist, Decision Sciences Institute, 2002.
- Dean's Award for Outstanding Research by a Doctoral Student, Mays Graduate School of Business, Texas A&M University, 2001-2002.
- Women's Faculty Network Graduate Student Award & Scholarship, Texas A&M University, 2000-2001 (University level award with only 3 students receiving awards out of 61 applicants).
- Doctoral Student Research Award, Department of Information and Operations Management, 2000.
- Donald W.Fogarty International Student Paper Competition. First Place Award at the International Society Level of APICS in the Graduate-Full-time student category, 1999.
- Donald W.Fogarty International Student Paper Competition, First Place Award at the Regional Level of APICS in the Graduate-Full-time student category, 1999.
- Donald W.Fogarty International Student Paper Competition, Second Place Award by the Houston Chapter of APICS in the Graduate-Full-time student category, 1999.

- Graduate Student Paper Award at Annual Southwest DSI Meeting, March 1999.

TEACHING ACTIVITIES

ACADEMIC COURSES TAUGHT

University of Tennessee

Undergraduate

- Logistics 411, Logistics Analytical Methods I (Fall 2002, Spring 2003, Fall 2003, Fall 2004, Fall 2005, Spring 2006, Fall 2006, Spring 2007, Fall 2007, Spring 2008, Fall 2008).
- Logistics 412, Logistics Analytical Methods II (Spring 2004, Spring 2005).

Graduate (Ph.D.)

- Logistics 615, Doctoral Seminar- Survey of Models in Marketing and Logistics Research (Spring 2006, 2007, 2008).
- Marketing & Logistics 693, Doctoral Seminar in Marketing & Logistics Models- Faculty Participant (Spring 2004, Spring 2005).

Executive/Continuing Education: Center for Executive Development, University of Tennessee

Logistics Executive Development Program (LEDP)

- Logistics Modeling (April 2007, May 2008)
- Facility Strategies and Issues (April 2007, May 2008)
- Global Logistics Management (May 2008)

Supply Chain Management Certification Program

- Manufacturing-Logistics Interface (March 2008)
- Network Design Strategies (March 2008)

Texas A&M University

Undergraduate

- INFO 465, Information Technology for Supply Chain Management (Spring 2002).
- INFO 364, Operations Management (Fall 1999, Spring 2000, Summer 2000, Fall 2001, Summer 2002).

SUPERVISION OF DOCTORAL STUDENT WORK

Dissertation Committee Member

- *Xiaojing Sheng*, Department of Marketing and Logistics, University of Tennessee (committee member as of Fall 2007), work in progress.
- *Jingxu He*, Industrial Engineering Department, University of Tennessee, Fall 2006-Fall 2007 (graduated in fall 2007). Dissertation Title: Heuristic Procedures to Solve Car Sequencing and Scheduling Problem in the Automotive Industry.
- *Xiaofeng Zhao*, Statistics and Operations Management Department, University of Tennessee, Fall 2006-Summer 2007 (graduated in summer 2007). Dissertation Title: Approximation Methods for the Standard Deviation of Flow Times in the G/G/s Queue.
- *Xinjie Shi*, Statistics and Operations Management Department of University of Tennessee (graduated in summer 2006), Dissertation Title: Essays on Quantitative Analysis of Supply Chain Structures, Contracts and Coordination.

Directed Research

- *Dominic Koon*, Department of Marketing and Logistics, University of Tennessee, Directed Research, Fall 2006-Spring 2007.
- *Ila Manuj*, Department of Marketing and Logistics, University of Tennessee, “Risk Management and Supply Chain Complexity”, Fall 2004-Spring 2006 (the research resulted in a presentation at the 2005 Decision Sciences Institute Annual Meeting and a research article that is currently under second review at the *Journal of Business Logistics*).
- *Brian Fugate*, Department of Marketing and Logistics, University of Tennessee, “Supply Chain Coordination”, Fall 2002-Spring 2003 (the joint work resulted in a presentation at the 2003 Decision Sciences Institute Annual Meeting and a research article published in the *Journal of Business Logistics*).

SERVICE ACTIVITIES

UNIVERSITY, COLLEGE AND DEPARTMENT COMMITTEES/ACTIVITIES

Department of Marketing and Logistics, University of Tennessee

- 2009 Co-Chair- Logistics Faculty Search Committee
- Logistics Curriculum Development, 2002-2004.
