

DATE: April 7, 2003

TO: Dr. Anne Mayhew
Associate Vice Chancellor for Academic Affairs

FROM: Mary Sue Younger
Chair, Intercollegiate Graduate Statistics Program

SUBJECT: New Programs

Dear Dr. Mayhew:

I am pleased to announce that the IGSP Executive Committee has approved
(1) the addition of the MS in Statistics for PhD students in the Department of
Chemical Engineering, and
(2) statistics minors for both MS and PhD students and the Statistics MS for PhD
students in Materials Science and Engineering/Polymer Engineering.

The requirements for these programs are attached, and may also be found at
www.bus.utk.edu/stat/igsp.

Additionally, the Department of Statistics and the IGSP Executive Committee have
adopted the following policy:
Master's students earning a minor in Statistics must take at least one of their
courses from the Department of Statistics.
