4.	Ph. D.	M. S.	6	9	9	-

NOTES:

- The Level A courses must be an approved sequence.
- The Statistics M. S. requires 33 hours, (IGSP hours plus 9 hours) plus comprehensive exams.
- Courses taken for the doctoral degree may fulfill requirements for the M. S. degree in Statistics.
- Courses taken for the minor or the master's degree in Statistics may fulfill requirements for the doctoral program. Contact the home department.
- Some of the Level B hours may be obtained from certain Level A and C courses upon approval by the IGSP Executive Committee and the student's home department.
- The student's home department must verify the fulfillment of non-Statistics degree requirements.

Statistics course recommendations for specific concentration areas (approved by IGSP Executive Committee):
